“
Spoil your loved one with two nights of Bliss in the Bush...

Rediscover the true meaning of love when celebrating Valentine's Day at Nambiti Hills Private Game Experience.

Returning from game drive, you can look forward to a freshly drawn bubble bath, scattered with rose petals and surrounded by lit candles. As you soak, indulge in a bottle of chilled Moët & Chandon, before enjoying a romantic candlelit dinner in our fine dining restaurant.

The next day, lie side by side with your special someone whilst we pamper you with a full body massage at Zolile Spa. A haven of peace and tranquillity, as well as a welcome respite from the heat, this is the ideal way to relax and unwind.

All this in addition to sumptuous accommodation, gourmet cuisine, and twice-daily game drives... With rolling landscapes, jaw-dropping sunsets and once in a lifetime sightings, Nambiti Hills Private Game Experience truly is one of the most romantic places in South Africa.
